JOURNEYS BY RAIL

Journey by Rail vacations are on Train Sets made up of several luxuriously rebuilt passenger train Cars that travel together surrounded by magnificent scenery to visit a variety of urban, rural and remote locations throughout the United States and into Canada.

The elegant railroad Cars, complimentary beverages, exquisite dining, personalized service and stop-overs at diverse en-route Journey by Rail destinations provide unforgettably rewarding vacation experiences.

Cars normally travel with Amtrak, are dropped off at appealing ‘ports of call’ and are subsequently picked up by different trains to go on to other exciting locales.

Passengers live on board while enjoying an endless choice of Tracks to Adventure™, other tours and out of the ordinary adventures and activities.

Cars are equal or nicer than and vacation fares are lower compared to luxurious trains in other countries.

There are no equivalent train or luxury vacations in the United States; maybe anywhere.

TRAIN'SHARES™

Train'Shares on Train Sets give 'Owners' the right to annual or more frequent Journeys by Rail. They include the attractive while eliminating the undesirable aspects of vacation ownership producing a uniquely exceptional combination of timeshare benefits coupled with luxurious private train vacations.

Owners pay relatively low annual Fees that cover operating expenses. If an Owner doesn't use a Journey the Fees don't have to be paid.

If Owners don't enjoy their first Journey by Rail vacation (implausible), they can request a refund of the Train'Share purchase price and the Fees that have been paid, less the value of any used Journeys.

Owners can exchange their Journeys for vacations at a worldwide selection of the finest resorts.

Total costs are much lower than individual Journeys by Rail; which are already an exceptional value.

Train'Share Owners can rent Journeys, themselves or through a travel agency, and keep the net revenue.

ENDLESS THINGS TO DO

Other trains transport people from one place to another. Passengers have no time to experience off train attractions along the way.

Journeys by Rail provide vacations to and beyond the four corners of the United States with prolonged stays at en-route destinations where infinite choices of activities can be enjoyed, tranquil or adventurous.

The endless variety of things to do ranges from big city glamour, museums and shows, to skiing, golfing, mountain hiking, scuba diving, beach sun bathing, unique shopping, being pampered at fine spas, and just about any other preferred activity.

Varying itineraries visit intriguing and out of the ordinary places where America's history, culture and natural wonders can be enjoyed while living on an exclusive, luxurious private train.

No other vacation provides access to an unlimited choice of pleasure and pass-times from the Atlantic to the Pacific and Mexico into Canada.

er ending pleasures of America”

Is the infinite pleasure greater while traveling to or after arriving at en-route destinations?

ABUNDANT RECREATION

The only vacation providing changing venues, preferred climates, snow or beaches, mountains or deserts, much more, and related unlimited recreational alternatives.

LUXURIOUS TRAIN CARS
